Education

Vivekananda Global University

2022-2026

B.Tech in Computer Science, Jaipur

Percentage: 82%

Experience

KvonTech Consultancy Services Private Limited

Jan 2026 – Apr 2026

MERN Stack Developer Intern — Jaipur, India

- Developed and deployed a full-stack Clothing Brand E-Commerce Website using MongoDB, Express.js, React.js, and Node.js.
- Built responsive user interfaces and implemented RESTful APIs for authentication, products, and orders.
- Designed and managed MongoDB databases with secure JWT-based authentication.
- Integrated Razorpay Payment Gateway for secure online payments and order processing.
- Developed features including product search, shopping cart, checkout, order tracking, and reviews.

Tensax Innovation Lab

Full Stack Developer — Jaipur, India

Feb 2025 – Jun 2025

- Developed and maintained web and cross-platform applications using Svelte.
- Integrated Firebase for authentication, real-time database, and hosting.
- Deployed cloud services using AWS S3, Lambda, and API Gateway.

Projects

College Management System

Dec 2025

Java, Android Studio, XML, Firebase (Auth, Real-time DB, Storage) RecyclerView.

- Developed a full-featured Android application with student, teacher, and admin authentication.
- Implemented real-time modules including Attendance, Timetable, Notices, Fee Management, and Leave Forms.
- Utilized RecyclerView, CalendarView, and Firebase CRUD operations tested on

emulators and physical devices.

Clothing Brand E-Commerce Website

Jan 2026 – Apr 2026

MongoDB, Express.js, React, Node.js, JWT.

- Built a full-stack e-commerce web application with user authentication (signup/login) using JWT and secure password hashing.
- Implemented product management modules including product listing, categories, and detailed product pages with CRUD operations.
- Built shopping features such as add to cart, update quantity, and order management with MongoDB database integration.
- Designed responsive UI using React, React Hooks, and dynamic routing; created RESTful APIs with Express and Node.js.

Certifications

- MERN Stack Development – KvonTech
- Full Stack Development – Tensax Innovation Lab
